

BUILDING YOUR KITCHEN

Individual units come fully assembled, and simply bolt together.

1 CERAMIC EGG UNIT

Allowing you to introduce the most popular ceramic eggs into a Whistler kitchen, this unit gives customers the opportunity to build a Whistler kitchen around a charcoal BBQ.

2 TRIPLE DRAWER UNIT

These durable, soft closing drawers provide ample storage space for those looking to keep cooking and entertainment equipment outside.

3 DOUBLE DOOR UNIT

This heavy duty double door unit allows you to store and hide outdoor equipment within.

4 FRIDGE

Keep the entertainment flowing with cold drinks at hand in the double Fairford Fridge.

5 SINK

A large stylish sink unit with ample storage beneath.

6 GAS BOTTLE & BIN UNIT

Offering a double door gas bottle cabinet, designed to store and hide up to a 13kg gas bottle with a supporting slide-in shelf within. a bin is also included.

7 90 DEGREE CORNER UNITS

The 90 degree corner units offer ultimate versatility by allowing you to create an L or C shaped kitchen to suit your outdoor space.

8 SIDE BURNER

The side burner provides you with a secondary heating source and searing tool, to use in line with the main BBQ burners.
